PARENT/GUARDIAN CONSENT FORM FOR THE AAT PROJECT™ – INDIVIDUAL, MINOR

Dear Parent or Guardian,

Your teen has signed up to enter The AAT Project™, a national online STEM platform. Your teen and the team member(s) will be submitting a project online along with students from all over the country for once in a lifetime opportunities. For your teen to apply, we require your permission. Unfortunately, students who do not obtain consent may not participate. Please read through the terms below, and if they seem acceptable to you, submit your consent.

For more details about The AAT Project™, please visit: www.theaatproject.com

We wish your teen the best of luck!

Thank you from The AAT Project™ team.

TERMS

This parental consent agreement is between The AAT Project LLC and you, as parent or legal guardian of a teen who would like to enter The AAT Project™.

The AAT Project™ aims to be the largest national online platform for students 15-30 years of age. Students will submit their projects online for a chance to gain management and mentorship from The AAT Project™, a chance to be filmed in a documentary, and a trip to the national televised Rock Concert Special held in New York City. This is a life changing opportunity.

This platform is open to individual students or teams who are 15-30 years of age. You must have proof that your teen's age is between 15 and 18 when you submits your project.

By submitting this parental consent, you agree to the following terms and conditions:

1. I have read and understood The AAT Project™ Rules for The AAT Project™. As parent and legal guardian of my teen, I permit him/her to participate in The AAT Project™ Rules. Furthermore, my teen and I agree to be bound by The AAT Project™ Rules and the terms of this parental consent.
2. As parent and legal guardian of my teen, I affirm that my teen is between the ages of 15-18 years of age. I confirm that my teen and I are aware that The AAT Project accepts participants in a team or as an individual, and it is our sole decision to take part as an individual.
3. I understand that participation involves a certain degree of risk, which could result in injury or other unintended consequences. My teen's participation in The AAT Project™ is voluntary, and as such, I agree to be solely responsible for my teen's safety while he/she is working on his/her science project.
4. I am aware of the risks involved, and take full responsibility, and waive any claims of personal injury or damage to personal property associated with my teen's participation in The AAT Project™.
5. If my teen is selected as a finalist during the initial round of judging, I understand that my teen must be accompanied by myself or another parent or legal guardian, when traveling is required.
6. I also agree that if my teen is selected, The AAT Project™ has the right to use his or her name and likeness in any promotion or marketing campaign related to The AAT Project, without any compensation.
7. Privacy Disclaimer: Any personal information collected by The AAT Project™ will only be used for administering submissions, or as otherwise set out in The AAT Project™ Rules.

I understand the conditions as listed above. I give my consent that the participant mentioned in the form below is eligible to participate in The AAT Project™, and has my permission to engage in, and submit, a project that complies with The AAT Project™ Rules.

I permit the processing and publication of my and my teen's data* outlined in The AAT Project™ Rules.

*Data includes all of the information collected by The AAT Project™ on a particular entry.
